

research and innovation

presenting literature

Alan Dix

STRUCTURE + DIVERGENCE = INNOVATION

lit. review structures

- blue peter approach
 - here's some nice themes
 - let's put the literature in it
- agatha christie approach
 - here's the literature
 - and lets see it again in themes/classes

attribute oriented structure

- **topic:** applications of technique X in area Y
 - **structure:**
 - technique X
different applications 
 - area Y
different techniques 
 - technique X in area Y
 - ...
- focus on things that might generalise to area Y
- focus on things that might generalise to technique X
